RECITALS

- A. Salt Lake County (the "County") and University of Utah (the "University") are "public agencies" as defined by the Utah Interlocal Cooperation Act, Utah Code Ann. §§ 11-13-101 et seq. (the "Cooperation Act"), and, as such, are authorized by the Cooperation Act to enter into this Agreement to act jointly and cooperatively on the basis of mutual advantage in order to provide facilities in a manner that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities.

The capital projects are intended to: (1) improve the environment of the outdoor terraces on the south side of the Natural History Museum with the addition of structures that provide shade, data, and power; and (2) enhance the acoustic environment in Museum's primary indoor gather space known as the Canyon (the "Projects"). The County Council appropriated TRCC Funds for this purpose in the 2017 Salt Lake County Budget.
- D. The University and the County now desire to enter into the Interlocal Cooperation Agreement attached hereto as ATTACHMENT A (the "Interlocal Agreement") wherein the County agrees to grant TRCC Funds to the University to help fund the Projects and wherein the University agrees to abide by the terms and conditions outlined in the Agreement.
