RESOLUTION NO. 5728

EXTENSION AND ADOPTION OF THE
SALT LAKE COUNTY HAZARD
MITIGATION PLAN

A RESOLUTION OF THE COUNTY COUNCIL OF SALT LAKE COUNTY BE IT KNOWN AND REMEMBERED:

THAT, the County Council of Salt Lake County, State of Utah, met in

regular session of the Council on the 28th day of April, 2020.

WITNESS:

WHEREAS, the number and intensity of natural hazards has increased in recent years and, due to increased population density, natural hazards also have more detrimental effects.

WHEREAS, Salt Lake County and other government entities at all levels are responsible for creating hazard mitigation strategies and are also responsible for their timely and cost-effective implementation.

WHEREAS, Salt Lake County was awarded a federal grant to continue this hazard mitigation process, following the creation of the Wasatch Front Regional Council's Natural Hazards Pre- Disaster Mitigation Plan (the Plan) that was adopted on November 20, 2009, and expired on November 20, 2014. The Plan was again updated in 2014-2015, and became the 2015 Salt Lake County Multi-Jurisdictional Multi-Hazard Mitigation Plan. In 2019, Salt Lake County updated the Plan to include five (5) new participating jurisdictions.

WHEREAS, as part of the 2019 update, 24 jurisdictions located within Salt Lake County (23 cities, towns, metro townships and Salt Lake County itself) agreed to participate in the Plan, under the coordinating efforts of Salt Lake County Emergency Management, which had the responsibility to complete the updated plan.

WHEREAS, the Plan consists of Volume 1, which contains a County-wide overview of hazard history, previous mitigation strategies, and the new mitigation strategies for the next five- year period, and Volume 2 which contains individual sections for each municipality and metro township, with their respective hazard histories and their previous mitigation strategies.

WHEREAS, new mitigation strategies have been designed, based on the changing requirements of each jurisdiction, moving forward for the next five-year period.

WHEREAS, both volumes make up the current Salt Lake County Multi-Jurisdictional Hazard Mitigation Plan, which will help Salt Lake

County and its jurisdictions become better-prepared and more resilient communities.

WHEREAS, the Plan was created to prevent and reduce the impacts of disasters on our citizens and communities and the Plan has been constructed with the best information available from a planning perspective. It is recognized that as new information becomes available, decisions and actions may differ from the Plan envisioned at the time the Plan was developed.

WHEREAS, Salt Lake County, along with the rest of the World, is experiencing the deadly effects of the Corona Virus Pandemic of 2020 and the United States, the State of Utah, Salt Lake County and many of its communities have adopted health emergency proclamations, testing our collective resolve to combat and minimize this terrible health hazard and revising and updating the Plan will assist the County to make the best decisions possible during the current difficult circumstances.

RESOLUTION:

Now, therefore, the Salt Lake County Council hereby resolves as follows:

1. The Salt Lake County Council gives its full support to the Plan and hereby approves the Plan for the year 2020 and for five years thereafter.
2. The Council urges all municipal and county officials, employees, and others involved in the total emergency management effort, individually and collectively, to do their best to make Salt Lake County a disaster-resistant and resilient community.
3. This Plan is promulgated as the “Salt Lake County’s Multi-Jurisdictional Hazard Mitigation Plan.” The Plan is designed to comply with all applicable Federal, State and local ordinances and resolutions, and provides guidance to prepare for and mitigate hazards that threaten the community.

APPROVED AND ADOPTED in Salt Lake City, Salt Lake County, Utah, this 28th day of April, 2020.

RESOLUTION NO. 5729

A RESOLUTION OF THE COUNTY COUNCIL OF SALT LAKE COUNTY APPROVING AND AUTHORIZING EXECUTION OF AN INTERLOCAL COOPERATION AGREEMENT BETWEEN SALT LAKE COUNTY AND HOLLADAY CITY, ON BEHALF OF ITS HOLLADAY ARTS COUNCIL, FOR A CONTRIBUTION OF TRCC FUNDS TO FINANCE THE INSTALLATION OF TRACK LIGHTING IN HOLLADAY CITY HALL

RECITALS

A. Salt Lake County (the "County") and Holladay City (the "City") are "public agencies" as defined by the Utah Interlocal Cooperation Act, Utah Code Ann.§§ 11-13-101 et seq. (the "Cooperation Act"), and, as such, are authorized by the Cooperation Act to enter into this Agreement to act jointly and cooperatively on the basis of mutual advantage in order to provide facilities in a manner that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities.

B. The County receives funds ("TRCC Funds") pursuant to the Tourism, Recreation, Cultural, Convention, and Airport Facilities Tax Act, Utah Code Ann.§§ 59-12-601 et seq. (the "TRCC Act"). The TRCC Act provides that TRCC Funds may be used, among other things, for the development, operation, and maintenance of publicly owned or operated recreation, cultural, or convention facilities.

C. In 2019, the City requested TRCC Funds from the County - through the County's Cultural Facilities Support Program - to fund the installation of track lighting in Holladay City Hall (the "Project"). The County Council appropriated TRCC Funds for this purpose in the 2020 Salt Lake County Budget. The City and the County now desire to enter into the Interlocal Cooperation Agreement attached hereto as ATTACHMENT A (the "Interlocal Agreement") wherein the County agrees to grant TRCC Funds to the City to help fund the Project and wherein the City agrees to abide by the terms and conditions outlined in the Agreement.

D. The County Council believes that its contribution and assistance under the Agreement will contribute to the prosperity, moral well-being, peace and comfort of Salt Lake County residents.

RESOLUTION

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the County Council of Salt Lake County:

1. That the Interlocal Agreement between Salt Lake County and Holladay City is approved, in substantially the form attached hereto as ATTACHMENT A, and that the Salt Lake County Mayor is authorized to execute the same.
2. That the Interlocal Agreement will become effective as stated in the Interlocal Agreement.

RESOLUTION NO. 5731

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL AUTHORIZING EXECUTION OF AN INTERLOCAL AGREEMENT WITH THE KEARNS METRO TOWNSHIP FOR COOPERATION ON A QUIET TITLE ACTION

RECITALS

A. Salt Lake County (the “County”) is constructing a new library on property that includes portions of the road of 5375 South, between 4320 West and 4220 West, Kearns, UT 84118, which the Kearns Metro Township (the “Metro Township”) has closed and over which the Metro Township has granted the County an easement. The County records contain no recorded document confirming that the portion of 5375 South between 4320 West and 4220 West was ever dedicated to the public (the “**Subject Road**”).

B. The Subject Road has been used as a public road since 1965. The County desires to quiet title to the Subject Road as a thoroughfare dedicated to public use.

C. Under Utah Code Ann. § 72-5-104(2), the Metro Township is the relevant “highway authority” possessing jurisdictional authority over the Subject Road. Accordingly, the Metro Township has ultimate responsibility for asserting a public-use dedication by means of a quiet title action under Utah Code Ann. § 72-5-104 (“**Quiet Title Action**”).

D. The County has asked the Metro Township to file the Quiet Title Action on its behalf and is willing to reimburse all legal fees, costs, and expenses reasonably incurred in the prosecution of such action as provided in the Interlocal Agreement attached hereto as Exhibit A.

E. It has been determined that the best interests of the County and the general public will be served by entering into the attached Interlocal Agreement. The execution of said Interlocal Agreement will comply with all applicable state statutes and County ordinances.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the Salt Lake County Council that the Interlocal Agreement is accepted and approved, and the Mayor is hereby authorized to execute the Interlocal Agreement on behalf of Salt Lake County and to sign all other documents, reasonably necessary to comply with the County’s obligations contained in the Interlocal Agreement.

RESOLUTION NO. 5732

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL AUTHORIZING EXECUTION AND DELIVERY OF A COOPERATIVE AGREEMENT BETWEEN THE UTAH DEPARTMENT OF TRANSPORTATION AND SALT LAKE COUNTY AND RELATED DOCUMENTS, AFFECTING A PORTION OF THE JORDAN RIVER TRAIL IN BLUFFDALE, UTAH

RECITALS

A. Salt Lake County (“the County”) has constructed and maintains portions of the Jordan River Trail (the “Trail”) in Bluffdale, Utah.

B. The Trail is located on several easements over property presently owned by Pacificorp (also known as Rocky Mountain Power (“RMP”)), Bluffdale City (the “Bluffdale”), the Jordan Valley Water Conservancy District (the “District”), and Utah Department of Transportation (“UDOT”).

C. UDOT has a construction project known as Porter Rockwell Boulevard in this area (the “Project”) and, as part of the Project, has recently acquired some property from the District where the Trail is located (the “District Property”).

D. To complete the Project, UDOT needs to relocate portions of the Trail. To relocate the Trail and construct the Project, UDOT has or will acquire easements for the benefit of the County from RMP (the “RMP Easement”) and Bluffdale (the “Bluffdale Easement”), will grant a perpetual license to the County on the property UDOT now owns (the “Perpetual License”), and will work with the District for the new Trail locations on the property retained by

the District.

E. In addition, UDOT needs to acquire a temporary construction easement (the “Temporary Construction Easement”) from the County to construct or reconstruct a portion of the Trail on adjacent property owned by the County. UDOT has prepared a Right-of-Way Purchase Contract for the acquisition of the Temporary Construction Easement.

F. With the acquisition of District Property and the relocation of the Trail on the District Property, UDOT has asked the County to release its easements within the District Property by signing a recordable document (the “Relinquishment of Easement”) in exchange for, among other things, the Perpetual License.

G. UDOT has prepared a Cooperative Agreement (the “Agreement”) to address the construction of the Trail and the acquisition of the exchange of the RMP Easement, the Bluffdale Easement, and the Perpetual License in exchange for the Temporary Construction Easement and the Relinquishment of Easement. The exchange in value of these interests and the work to be performed by UDOT for the benefit of the County, including the relocation of the Trail, has been reviewed and approved by the Salt Lake County Real Estate Division as full and adequate consideration.

H. It has been determined that the best interests of the County and the general public will be served by executing the Agreement and related documents, including the Perpetual License Agreement, the Relinquishment of Easement, Right-of-Way Contract, and the Temporary Construction Easement, in accordance with the Agreement. These actions will be in compliance with all applicable state statutes and county ordinances.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council that the Agreement is hereby approved, and the Mayor is authorized and directed to execute the Agreement, attached hereto as Exhibit 1.

IT IS FURTHER RESOLVED by the Salt Lake County Council that, should all of the applicable terms and conditions of the Agreement be complied with, the Mayor and County Clerk are hereby authorized, consistent with the terms of the Agreement, to execute the Perpetual License Agreement (attached as Exhibit B to the Agreement), the Relinquishment of Easement

(attached as Exhibit C to the Perpetual License Agreement), the Right-of-Way Contract (attached as Exhibit 2) and the Temporary Construction Easement (attached hereto as Exhibit 3), in forms substantially similar to those attached hereto and to deliver the fully executed documents to the Salt Lake County Real Estate Division for delivery to the UDOT.

IT IS FURTHER RESOLVED by the Salt Lake County Council that, should all of the applicable terms and conditions of the Agreement be complied with, the County will accept the Bluffdale Easement and the RMP Easement and the Mayor is hereby authorized, consistent with the terms of the Agreement, to execute the RMP Easement, in a form substantially similar to the one attached hereto as Exhibit 4.
