3.3 2021 TRCC Budget Discussion

[20-1037](#)

Mr. Darrin Casper, Salt Lake County Deputy Mayor of Finance and Administration, reviewed the 2021 proposed Tourism, Recreation, Cultural, and Convention (TRCC) Fund, including the long-range plan, revenues, transfers in and out of the fund, capital projects, equipment replacement, debt service, statutory funding, government contributions, and the cultural facility support program. He stated the ending budget for the TRCC Fund is \$3.128 million, which is a higher than the usual fund balance due to the uncertainty of the COVID-19 pandemic.

Ms. Holly Yocom, Director, Salt Lake County Community Services Department, updated the Council on the status of employees who have been redeployed due to the pandemic. She then presented a PowerPoint presentation highlighting the budgets for the following divisions: Recreation, Parks, Equestrian Park, Clark Planetarium, and Arts & Culture. She also reviewed the various requests for funds from the TRCC Fund.

Board Member Mayor Bigelow asked for clarification on the capital projects listed under health and safety. He stated it seemed like the Mayor's Office was trying to build up the fund under this area and not necessarily use the fund for health and safety issues.

Mr. Casper stated these funds were built up when the TRCC Fund was healthy; the Mayor's Office did not want to lose the momentum during an unhealthy situation.

Ms. Erin Litvack, Salt Lake County Deputy Mayor of County Services, stated hopefully in 2021, the County will be able to reopen its assets and welcome the public back. To be prepared to do this, funds will need to be expended to make sure all equipment is functioning. Nothing will be funded to full capacity; just enough funds will be used to make sure the facilities are prepared to reopen.

Board Member Mayor Peterson asked about the bonds for the Larry H. Miller Park and the Valley Regional Park.

Ms. Yocom stated the Larry H. Miller Park is fully funded and near

completion.

Ms. Lori Okino, Fiscal Administrator, Salt Lake County Community Services Department, stated the project for Valley Regional Park was originally budgeted at \$7.4 million. The Miller Family contribution will be \$2 million, with a \$1.5 million contribution from the TRCC Fund. In 2022, an additional \$3.5 million will be needed. However, there is a \$2 million offset, so an additional \$1.9 million will be requested.

Mr. Casper asked the Board to recommend approval to the Salt Lake County Council of the proposed TRCC budget as presented so it can try to restart some of the contracted projects that were cut.

Board Member Mayor Peterson, seconded by Board Member Representative Hutchins, moved to recommend to the Salt Lake County Council approval of the TRCC Fund as presented, with the recommendation that the TRCC Board meet no later than April 2021, to look at the TRCC Fund and the availability of additional expenditures. Board Chair Mayor Bigelow amended the motion to add that the TRCC Board supported the changes that were made by the Mayor's Office to the TRCC Fund after a cursory look. Board Member Mayor Peterson accepted the amendment.

Board Chair Mayor Bigelow stated without objections, the motion will pass. He asked if there were any objections, and there were none. He then declared the motion passed unanimously.
