I write today on behalf of the entire Board of Directors of the Utah Performing Arts Center to thank you for your leadership on the UPACA Board over the past seven years. During your involvement with the Eccles Theater you have profoundly and positively impacted this glorious community asset in numerous ways. As an organization, we have especially benefited over the term you served as board chair. From early on in the planning you were a steady and consistent champion at every stage of the development of the theatre, from concept to construction and through opening, you played a most crucial role in securing both support and funding from Salt Lake County in this venture. It is indeed true that the Eccles Theatre simply would not exist today but for your diligence and care in evaluating and fully exploring the positive impact that this investment would have on our community

What has impressed us most in your tenure is the care and thoughtfulness that you have brought to every issue that we have encountered together. The challenges that we have faced are many, but you have been relentless in your thorough analysis of the details of every issue always bringing the clearest understanding of us all of the founding documents and prioritizing the best interest of the Eccles Theatre in guiding us to resolution.

The operational success of the Eccles Theatre is a testament to the value of your dedication to improving everything that you touch and the partnership that was forge along the way is a lasting legacy to your leadership. We heartily share our congratulations to you in acknowledging a stellar tenure as board chair and look forward to brighter days ahead with you for the Eccles Theater.

Thank you Max
