[OPMA Findings - February 2021](#)

Mr. Mitchell Park, Legal Counsel, Council Office, referred to the following statement regarding electronic meetings:

Consistent with provisions of the Utah Open and Public Meetings Act, Utah Code Ann. § 52-4-207(4), and acting in my capacity as Salt Lake County Council Chair, I hereby make the following written determinations in support of Salt Lake County Council’s decision to hold and convene electronic meetings of the Council without a physical anchor location:

1. Conducting Council meetings with an anchor location that is physically accessible for members of the public to attend in person presents a substantial risk to the health and safety of those who may be present at the anchor location; and
2. This determination is based upon the following facts, among others:
 - a. Salt Lake County remains under a state of public health emergency related to the ongoing COVID-19 pandemic, and significant, continued person-to-person transmission of the SARS-CoV-2 virus continues to occur in Salt Lake County;
 - b. State and local health authorities have adopted “State Public Health Order 2021-5, *“Updated Statewide COVID-19 Restrictions,”*” which

orders institutions in jurisdictions currently experiencing “high transmission” of COVID-19, including Salt Lake County, to limit public gatherings and ensure strict social distancing, mask wearing, and other requirements at public gatherings;

c. Mayor Jennifer Wilson has ordered that the Salt Lake County Government Center be open to the public on an “appointment only” basis during the current period of Salt Lake County Government’s phased re-opening;

d. Public health authorities, including the Salt Lake County Health Department, recommend that the health and safety of Councilmembers, County officials, and employees, staff, and members of the public is best served by holding electronic meetings of the County with limited in-person interaction;

e. The Council has prepared for and demonstrated the ability to effectively conduct its public meetings electronically, including providing members of the public means to observe the Council’s meetings and provide comments electronically.

These written determinations shall be read into the minutes at the beginning of the Salt Lake County Council’s Executive Committee, Committee of the Whole, and Council Meetings, held in Salt Lake City on February 23, 2021, and shall also apply to any additional meetings of the Council during the time period described herein. Council staff are instructed to continue including in the public notice information on how a member of the public may view and make comments at the Council’s electronic meetings.

The written determination is effective until midnight on March 22, 2021, and may be re-issued by future written determinations of the Chair at that time.

Dated this 23rd day of February, 2021.

The Surge Workforce is defined as those employees that participate in any Surge project at vaccine clinics, handling phone calls, or other projects as defined by the Surge Workforce Manager. Overtime shall be paid at one and one-half (1½) times the regular rate of pay for each hour in excess of forty (40) hours in a workweek for time worked on Surge project activities. Surge work overtime shall not be paid as compensatory time.

Mr. Darrin Casper, Deputy Mayor of Finance and Administration, stated this policy allows those employees who are eligible for over-time to be paid and not

Council Member DeBry read the following resolution:

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL

EXPRESSING GRATITUDE TO MARGO PROVOST AND ED MARSHALL

WHEREAS, Margo Provost and Ed Marshall are incredible citizens of Salt Lake County who serve many County residents at the Log Haven Restaurant; and

WHEREAS, on Saturday, February 6, 2021, an avalanche hit the Wilson Glades area of Millcreek Canyon. In the avalanche, eight skiers were swept up in two groups. Due to limited communication, Search and Rescue did not have much time to evaluate the situation, yet they knew they needed a place to land helicopters and stage for a rescue operation; and

WHEREAS, when Sergeant Ed Twohill called Ed Marshall and asked if Search and Rescue could use the parking lot of Log Haven as a landing zone and the immediate answer was “yes;” and

WHEREAS, Margo and Ed offered food and shelter to search and rescue and law enforcement in the Canyon as the rescue continued late into the evening and the next morning. This selfless sacrifice allowed effort and energy to be used in the Canyon rescue operation and not in logistics; and

WHEREAS, Log Haven Restaurant is a great partner in the Millcreek Canyon community;

NOW THEREFORE, let it be resolved that the Salt Lake County Council on behalf of the citizens of Salt Lake County recognize with gratitude and appreciation the community spirit shown by Ed and Margo Marshall.

RESOLUTION NO. 5835

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL APPROVING AND AUTHORIZING THE MAYOR TO EXECUTE TWO PERPETUAL CULINARY WATERLINE EASEMENT AGREEMENTS AND A PERPETUAL SECONDARY WATERLINE EASEMENT AGREEMENT WITH THE CITY OF SOUTH JORDAN

RECITALS

- A. Salt Lake County (the “County”) owns several parcels of real property located at approximately 10004 South 4800 West and 9800 South County Road (Parcel Nos. 26-12-400-012 and 26-12-400-006 respectively) in South Jordan, Utah, which is part of the Bingham Creek Regional Park (the “Park”).
- B. The County needs new waterlines to provide culinary water in the Park and a secondary water line for watering the landscaping at the Park.
- C. The City of South Jordan (the “City”) provides culinary water services and secondary water services in the area where the Park is located.
- D. In order to receive culinary water services through the City, the County has agreed to provide the City with two 15-foot-wide perpetual non-exclusive culinary waterline easements within the Park (one on Parcel No. 26-12-400-006 and one on Parcel No. 26-12-400-012) to allow for the construction, maintenance, and repair of the City’s underground culinary water pipelines and related facilities (the “Culinary Water Facilities”).
- E. In order to receive secondary water services through the City, the County has agreed to provide the City with on 15-foot-wide perpetual non-exclusive secondary waterline easement within the Park (on Parcel no 26-12-400-012) to allow for the construction, maintenance, and repair of the City’s underground secondary water pipelines and related facilities (the “Secondary

Water Facilities”).

F. The County and the City have prepared two Perpetual Easement Agreements (the “Culinary Easement Agreements”) wherein the County grants perpetual non-exclusive culinary waterline easements to the City for the construction, maintenance, and repair of the Culinary Water Facilities.

G. Similarly, the County and the City have prepared a Perpetual Easement Agreement (the “Secondary Easement Agreement”) wherein the County grants a perpetual non-exclusive secondary waterline easement to the City for the construction, maintenance, and repair of the Secondary Water Facilities.

H. It has been determined that the connection to the City’s Culinary Water Facilities and Secondary Water Facilities constitutes fair and adequate consideration for the grant of said easements, and no other fee shall be required for the easements because of the benefit the Culinary Water Facilities and Secondary Water Facilities will provide to the Park.

I. It has been determined that the best interests of the County and the general public will be served by granting the perpetual non-exclusive easement interests to the City as provided in the Culinary Easement Agreements attached hereto as Exhibit A-1 and Exhibit A-2 and the Secondary Easement Agreement, attached hereto as Exhibit B (all three easement documents are collectively referred to herein as the “Agreements”). The execution of the Agreements will be in compliance with all applicable state statutes and county ordinances.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council that the attached agreements are accepted and approved, and the Mayor and County Clerk are hereby authorized to execute the Agreements attached hereto as Exhibit A-1, Exhibit A-2, and Exhibit B and to deliver the fully executed documents to the County Real Estate Division for delivery to the City.

APPROVED and ADOPTED this 23rd day of February, 2021.
