**Topic/Discussion Title:**  
Informational presentation on the status of the Municipal Services District (MSD) planning services transition.

**Description:** Salt Lake County received a letter from the Greater Salt Lake Municipal Services District (the “MSD”) requesting the transfer of certain assets from Salt Lake County to the MSD in conjunction with a transition to the MSD of planning and development services that currently are provided to the MSD under a contract with the County. The transition is intended to be effective as of October 1, 2019. The MSD and the County currently are negotiating an Interlocal Agreement that will cover the transfer of County assets to the MSD. A number of agreements will be presented to the County Council related to this matter at a future COW meeting. The intention of this informational presentation is to clarify the various agreements that will be presented to the Council. No action by the County Council is expected regarding this informational item. [Click or tap here to enter text.](#)
