Topic/Discussion Title:

A Resolution of the Salt Lake County Council Approving an Interlocal Cooperation Agreement Between Salt Lake County and Wasatch Front Waste and Recycling District for the Lease of Certain Space at the Salt Lake County Public Works Department Complex

Description: Salt Lake County owns several parcels of real property located at approximately 605 West 6960 South and 7125 South 600 West, Midvale, Utah, known as the Salt Lake County Public Works Department Complex, including the Salt Lake County Public Works administration building. The Wasatch Front Waste and Recycling District owns two parcels adjacent to the South County Parcel - one parcel is located at 7062 South 600 West (the "South District Parcel"), and one parcel is located at 7125 South 600 West. The District desires to lease a portion of the Complex, including office space in the Administration Building together with a right to use portions of the Administration Parcel. Additionally, the County and the District wish to jointly use the South County Parcel, the South District Parcel, and the Employee Parking Parcel. The County and the District have negotiated an Interlocal Cooperation Agreement, attached as Exhibit A hereto, to provide for the lease of the Leased Property and for the joint use of the other parcels.
