As you are aware, the Dimple Dell Advisory Board provides advice to the Mayor and Council regarding the maintenance, development and management of the Dimple Dell Regional Natural Park. This Park - 640 acres of natural land, rich in prehistoric and recent pioneer history - is among the largest natural/native parks situated within an urban setting in the United States. It sits adjacent to the city of Sandy and the Metro Township of White City and provides natural habitat for local flora and fauna, as well as recreational amenities for equestrians, hikers, bicyclists, outdoor enthusiasts and more.

This Board has been soliciting new members to join its 15- member roster, and you can look forward to seeing nominations over the coming weeks. We ask that you support the re-appointment of these committed individuals.
