Topic/Discussion Title:

Approval of donation; Animal services seeks to provide six microchip scanners to local municipal shelters - Estimated Value is \$200 per scanner for a total value of \$1,200

Description: Animal Services requests Council approval to provide six (6) microchip scanners to local municipal shelters (two for West Valley City Animal Services and four to Draper Animal Services), as a result of the County-wide general funding for microchips and scanners. Microchips have already been purchased for these shelters, and are in use; as the scanners are controlled assets, official County approval is sought for distributing these items to other municipal shelters.
