Topic/Discussion Title:

A resolution of the Salt Lake County Council authorizing execution of the HRC subdivision plat related to property owned by Salt Lake County in the City of South Salt Lake.

Description: Salt Lake County recently acquired several parcels of land south of 3300 South along 1000 in the City of South Salt Lake. The County also owns property occupied by the Emergency Operations Center, which has a back boundary along 1000 West. The County Property is adjacent to property owned by Shelter the Homeless, Inc., a Utah non-profit corporation. As part of the construction of the homeless resource center, there are several improvements that need to be made to 1000 West, including the construction of a stormwater detention basin. The stormwater detention/retention basin will be constructed on a portion of the EOC Property pursuant to an easement granted to the City, which the County is willing to grant to the City for no fee as an exaction to assist with the development of the homeless resource center. The City has required STH prepare a new plat showing the HRC Property, the location of 1000 West, and the easement for the stormwater detention/retention basin on the EOC Property. Because the County owns the EOC Property and the County Property along 1000 West, the County needs to sign the HRC Plat as an owner and dedicate the Easement to the City and the identified portion of 1000 West for perpetual use of the public as a road.
