Topic/Discussion Title:

A Resolution of the Salt Lake County Council approving execution of an interlocal cooperation agreement with Murray City allowing for the execution of a restated interlocal agreement so that the county may resume its lease of a park and ride station and so the county may install and maintain, or cause to be installed and maintained, a bicycle repair station.

Description: In December of 2019 the Salt Lake County Bicycle Advisory Committee purchased a bicycle repair station in collaboration with the cities of Cottonwood Heights and Murray to be installed at the Park & Ride lot at the mouth of Big Cottonwood Canyon. The lot is located within Cottonwood Heights on land owned by Murray and Park & Ride operated in agreement with Salt Lake County. This agreement is being restated for the purpose of including the bicycle repair station as an intended use of the site. Cottonwood Heights will install and maintain the station.
