Topic/Discussion Title:

Interlocal Cooperation Agreement between Salt Lake County and the Cooperating Cities and Towns of Salt Lake County relating to the conduct of Community Development Block Grant, Emergency Solutions Grant and HOME Investment Partnerships Programs

Description: Salt Lake County is designated as an Urban County for the Administration of the Community Development Block Grant (CDBG). This is done in cooperation with the cities and towns within Salt Lake County that do not receive direct appropriations from Housing and Urban Development (HUD). Every three years the county must recertify as an Urban County and provide documentation on which cities and towns are involved in the three-year recertification. The interlocal agreement outlines the terms and conditions for the next three-year period (2021-2023). Each City and town will reaffirm by resolution their participation in the Urban County. This was initially discussed with the Council earlier this year (June). Hud has required some adjustments to be made and that is why the agreement is being presented again.
