Requested Agenda Title:

Changes to Countywide Policy on Information Technology Security 1400-6: 1400-6 Social Media Use Policy, 1400-6.1 Social Media Management, 1400-6.2 Social Media Terms of Use

Requested Agenda Item Description: Proposed changes to three sections of countywide policy 1400-6: 1400-6 Social Media Use Policy, 1400-6.1 Social Media Management, 1400-6.2 Social Media Terms of Use. Technical changes are proposed to these three sections of the policy. There are inconsistencies in what is allowed of commenters from section to section, there are typos, there are restrictions on social media use and requirements for training that simply have never happened for a number of reasons. Many of these came to light through COVID and issues with comments and threats on social media that resulted. Future changes will clear up these discrepancies, but this update is mostly technical. These changes were presented at the Steering Committee and were given a favorable recommendation.
