Budget Adjustment: Health Department's Request To Recognize a Grant for The Purchase of a Mobile Clinic (\$150,000 in Revenue and Expense)

Requested Agenda Item Description: Health has received funding from the Utah Department of Health for purchase of a mobile clinic that will service community vaccination outreach events. The funding is being given to all local health departments to purchase smaller mobile units that will easily provide services to mobile vaccination events. The vehicle needs to be purchased by the end of 2021. Health is already working with County Fleet to include their expertise in this purchase and ensure it becomes a part of the Fleet replacement fund. This smaller mobile clinic will supplement the 2 existing larger mobile clinics that were purchased last year.
