Requested Agenda Title:

Budget Adjustment: Community Services' Request for Appropriation Unit Shift to Restructure the Funding for the Trail Maintenance Project

Requested Agenda Item Description: During the 2022 budget process, the Parks section received \$1 million in funding for the creation of a regional trail maintenance section within our agency. This budget adjustment requests an appropriation unit shift to create the regional trails maintenance section. With this first year's funding, Parks will restructure staffing and purchase specialized trail equipment and essential trucks for transportation. This first year builds the program. Each subsequent year, the \$1 million will be reallocated to meet the funding needs for personnel, maintenance, and additional equipment. There is no additional funding requested and is budget neutral.
