Requested Agenda Title:
A Resolution of the Salt Lake County Council Authorizing Execution of a Road Dedication Plat for the Dedication and Construction of Roads in Salt Lake City

Requested Agenda Item Description: Salt Lake County owns several parcels of real property located between 7200 West and 8000 West along an area of 700 North Street. The County acquired ownership interests in the Road Property for road right-of-way purposes; however, this property has not been fully utilized for road right-of-way purposes. The County has been asked to dedicate its ownership for the perpetual use of the public. A public road extending 700 North will be constructed on the Road Property and will be administered by Salt Lake City. Two other private property owners are dedicating portions of their land adjacent to the Road Property to create a complete roadway width for this 700 North project. The attached 700 North Roadway Dedication plat has been prepared to formally dedicate the Road Property as public rights-of-way. A copy of the Plat is attached hereto as Exhibit A.
