Topic/Discussion Title:

A Resolution of the Salt Lake County Council Providing for the Conduct of Electronic Council Meetings During the COVID-19 Public Health Emergency

Description: The Governor has suspended some of the more cumbersome aspects of the Open Meetings Act as they relate to electronic meetings during the COVID-19 outbreak. In short, we will not have to physically post the agenda at the Government Center or at an alternate anchor location, establish an anchor location for the electronic meeting, or provide space for the public to physically attend the meeting at an anchor location. This Resolution recognizes this executive order and memorializes it on behalf of the Council.
