Topic/Discussion Title:

A Resolution of the Salt Lake County Council Approving the Acquisition of Fee Interest in Certain Real Property from Jeffrey P. Naylor and Kristine K. Naylor Related to the Surplus Canal

Description: Salt Lake County is responsible for the operation and maintenance of the Surplus Canal, which is designed to divert water from the Jordan River to control flood flows. Over the years, the County has acquired various types of interest from private property owners for the Surplus Canal's existing location. The County is currently working on a project to clarify and make its real property interests along the Surplus Canal uniform and remove encroachments into the Surplus Canal's levee system. Jeffrey P. Naylor and Kristine K. Naylor own a parcel of real property located in Salt Lake City that is adjacent to the Surplus Canal where the interests of the County need to be clarified and encroachments removed. Following negotiations, the County and the Owners have agreed that the Owners will convey a portion of the Owners' Property to the County by quit-claim deed.
