Requested Agenda Title:

Budget Adjustment: Library's Request to True-up the Granite Library Capital Project Budget \$6,293,488 in Expense

Requested Agenda Item Description: This request is to increase the amount re-budgeted for the Granite building project by \$6,293,488. Projects are re-budgeted in the fall before the year is complete. Then in June, the re-budgeted amount is true-up to the 12/31 balance. In the case of Granite, we had encumbered the construction contract so the amount re-budgeted was minus that encumbrance. Since we did not go out to bond in 2020, the encumbrance was cancelled. If not cancelled, we would have needed to transfer library funds to the bond fund to cover not only expenses incurred but the encumbrance as well. The amount was much more than we had funds to cover. We need to true up the budget now, instead of in June, due to an unanticipated higher level of expenses in the last few months.
