A Resolution of the Salt Lake County Council Approving and Authorizing the Mayor to Execute and Grant Four Perpetual Easements to Rocky Mountain Power in the City of South Jordan

**Requested Agenda Item Description:** Salt Lake County owns several parcels of real property located at approximately 10004 South 4800 West and 9800 South in South Jordan, Utah, which is part of Bingham Creek Regional Park. The County desires to have electric utilities installed within the park to provide electricity to the park for lighting. Rocky Mountain Power, an unincorporated division of PacificCorp would like to acquire four perpetual non-exclusive easements across different portions of the park to construct and operate electric power lines in order to facilitate RMP's installation of the Power Line Facilities, the County has agreed to provide RMP with four perpetual easements within the Park to allow for the construction, maintenance, and repair of the Power Line Facilities. It has been determined that RMP's installation, maintenance, and repair of the Power Line Facilities constitute fair and adequate consideration for the grant of said easements.
